## DBE Directory

The Disadvantaged Business Enterprise (DBE) Directory is published semi-annually, with monthly updates indicating any changes.

The Directory lists those firms currently certified as DBEs by the Montana Department of Transportation. This publication is provided for informational purposes only, and is subject to revisions. This publication is not an endorsement or guarantee of the capability, dependability, or availability of any firm listed.

If you have questions regarding the DBE certification status of any firm listed in the Directory, please call the Civil Rights Bureau - DBE Program at (406) 444-6331.

Firms must be certified prior to the bid letting in order to be counted toward contract goals.
